

Haunted (Tyler Michaud Remix)

[Paul van Dyk](#)

When the light comes in our pale reflections
Will I resist coming on to you
For the night protects all that we've invested
I've invested in you 'Cause I'm haunted, I wanted to get you back
Despite the way I try to forget, it's still the same
And I'm haunted, my call is, without words, without a way
To say "I could never walk away"
'Cause I'm haunted, I wanted to get you back
Despite the way I try to forget, it's still the same You are the rise, the rise that falls
Falls from my obsessions, you're the last to know
You've arrived, arrived to my confession
Oh, God all I have to show
'Cause I'm haunted, I wanted to get you back
Despite the way I try to forget, it's still the same
And I'm haunted, my call is, without words, without a way
To say "I could never walk away"
'Cause I'm haunted, I wanted to get you back
Despite the way I try to forget, it's still the same
And I'm haunted, my call is, without words, without a way
To say "I could never walk away"
'Cause I'm haunted, I wanted to get you back
Despite the way I try to forget, it's still the same
And I'm haunted, my call is, without words, without a way
To say "I could never walk away"
