I Can Tell

Adelitas Way

I can tell by the way when I'm holding you tight
Something is wrong, no, it's never been right
I can see by the way that you stare in my eyes
It's empty to you and there's nothing inside
What if I told you that I've been thinking
I've been dreaming of you
And all the things I always thought that we'd do
But it was never enough
Oh, I can't figure out why you don't love me now
So why'd you tear me down? I'm faceless in the crowd
So tell me is this real 'cause I can't help but feel
I'm heading for heartache
Can I make you feel like you've never been kissed?
Like a picture you paint, will I ever be missed?
Would you stay if I told you my love wouldn't change?
If your hair turns gray, if you gain a little weight
What if I told you that I've been thinking
I've been dreaming of you
And all the things I always thought that we'd do
But it was never enough
I can't figure out, you don't love me now
So why'd you tear me down? I'm faceless in the crowd
So tell me is this real 'cause I can't help but feel
I'm heading for heartache, oh
I'm heading for heartache, oh yeah
I'm not giving you up
I'm not giving you up
I can't figure out, you don't love me now
So why'd you tear me down? I'm faceless in the crowd
So tell me is this real 'cause I can't help but feel
I'm heading for heartache
