I've seen enough to say that I know  
That this old world is not my home  
From lustful eyes and tainted lies, pride to hide the way that I  
The way that I feel inside I am ready to go home  
I'm packing my bags and I'm hitting the road  
I am ready to go home  
I'm packing my bags and I'm hitting the road I've seen enough to say that I know  
That this old world is not my home  
From lustful eyes and tainted lies and pride to hide  
The way that I feel inside I am ready to go home  
I'm packing my bags and I'm hitting the road  
I am ready to go home  
I'm packing my bags and I'm hitting the road Packing my bags and I'm hitting the road  
Yes, I'm gonna run, I'm gonna run for my home  
To stand in the sight of the Living God  
That's where I'm longing to be I am ready to go home  
I'm packing my bags and I'm hitting the road  
I am ready to go home  
I'm packing my bags and I'm hitting the road Hitting the road  
Hitting the road  
Hitting the road
