

I Wouldn't Be a Man

Billy Dean

There's a slow moon rising

It's shining on your skin

And the way your body moves me

I know there's no holding back, no holding backI wouldn't be a man if I didn't feel like this

I wouldn't be a man if a woman like you was anything I could resist

I'd have to be from another planet where love doesn't exist

I wouldn't be a man if I didn't feel like thisI can feel passion flowing

As you fall into my arms

And the secret way you touch me

I know there's no holding back, no holding backI wouldn't be a man if I didn't feel like this

I wouldn't be a man if a woman like you was anything I could resist

I'd have to be from another planet where love doesn't exist

Oh, I wouldn't be a man if I didn't feel like thisRoll with me baby all night long

Soul to soul with me baby all night longWoah, I'd have to be from another planet where her love doesn't exist

Oh, I wouldn't be a man if I didn't feel like thisBaby, baby, baby, please go easy on me

And I wouldn't be a man now, no
