Silver Wings

The Four Seasons

In my dream
I'm a western hero
Riding my Palomino
Silver Star, there you are
Silver StarIn my dream
I make much dinero
Chasing the bandelleros
Silver Star, there you are
Silver StarHe gave me a nine to five, honey
Ain't living but I'm alive
Sure cut me down to size
He gave me the second prizeI'm laying it on the line, honey
I'll let it go by this time
Next time around, I'll swear
Gonna get me somewhere
SomewhereIn my dream
I'm a desert hero
Bigger than Valentino
Silver Star, there you are
Silver StarLeading ladies
In warm embraces
Ecstasy on their faces
Silver Star, there you are
Silver StarDo do do...
