## The Four Seasons

In my dream  
I'm a western hero  
Riding my Palomino  
Silver Star, there you are  
Silver StarIn my dream  
I make much dinero  
Chasing the bandelleros  
Silver Star, there you are  
Silver StarHe gave me a nine to five, honey  
Ain't living but I'm alive  
Sure cut me down to size  
He gave me the second prizeI'm laying it on the line, honey  
I'll let it go by this time  
Next time around, I'll swear  
Gonna get me somewhere  
SomewhereIn my dream  
I'm a desert hero  
Bigger than Valentino  
Silver Star, there you are  
Silver StarLeading ladies  
In warm embraces  
Ecstasy on their faces  
Silver Star, there you are  
Silver StarDo do do...
