

# Amazing Life

[Britt Nicole](#)

It's a beau-beau-beautiful world we've been given  
From the top of the sky to the ocean  
I'll never understand it all (understand it all)  
It must be supernatural

It's a ma-ma-magical a starry night  
Feel, feel so small under a billion lights  
I'll never understand it all (Never understand it all)  
It must be supernatural

Amazing life  
Flying higher than I've ever dreamed  
From the top of the world I could scream  
Amazing life

It's a colorful, colorful world painted so bright  
Gonna walk on air, gonna take flight  
I'll never understand it all (Never understand it all)  
It must be supernatural

I wanna drink, drink, drink every drop of sunshine  
Got a smile on my face, I won't apologize  
I'll never understand it all (Never understand it all)  
It must be supernatural

Amazing life  
Flying higher than I've ever dreamed  
From the top of the world I could scream  
Amazing life

You are the burning in my heart that never dies, never dies  
Without You here my world is black and white  
Like a show without a stage  
Like a storm without the rain  
You are the one I can't replace  
Need You by my side  
Need You by my side

You're the reason for this amazing

Amazing life  
Flying higher than I've ever dreamed  
From the top of the world I could scream  
Amazing life
