Donâ€™t Wanna Lose

Ex Hex

If you listen close you might hear the sound
Well, I would never let you down
I thought you were a man of action
Come on, baby, come on, give me a little reaction

I DON'T WANNA LOSE YOUR LOVE
It's in my head, it's just a question of
If you gonna start messing around
You better hurry up, DON'T LET ME DOWN

Well, you keep telling me it won't be long
Well, that's not right and that's not wrong
Come on, take to me, baby, and don't be so cold
Your kingdom comes from action and not from being bored

I DON'T WANNA LOSE YOUR LOVE
It's in my head, it's just a question of
If you gonna start messing around
You better hurry up, DON'T LET ME DOWN

My perception is growing dim
There's no way to lose, no way to win
I'm not gonna stay down
Goodbye the dark days, bets are down

I DON'T WANNA LOSE YOUR LOVE
It's in my head, it's just a question of
If you gonna start messing around
You better hurry up, DON'T LET ME DOWN

My perception is growing dim
There's no way to lose, no way to win
I'm not gonna stay down
Goodbye the dark days, bets are down
