

We Got the Power (feat. Jehnny Beth)

Gorillaz

We got the power to be loving each other

 No matter what happens

We've got the power to do that

 On a le pouvoir de s'aimer, okay?

We got the power to be ringing the great bell out there above us

 We got the power for that

We got the power to do that And, we dream of home, I dream of life out of here

 Their dreams are small

 My dreams don't know fear (I got all you)

 I got my heart full of hope

 I will change everything

 No matter what I'm told

 How impossible it seems (we got the power)

 We did it before

 And we'll do it again

 We're indestructible

 Even when we're tired

 And we've been here before

 Just you and I

 Don't try to rescue me

I don't need to be rescued We got the power to be loving each other

 No matter what happens

We've got the power to do that

 On a le pouvoir de s'aimer, okay?

We got the power to be ringing the great bell out there above us

 We got the power for that

We got the power to do that Get yourself up to the silent altar and call me

 But don't forget the machines

'Cause if your choice is chipping it down on the M1 (1, 1, 1)

 Then you'll wake up in the morning

 You'll be storming, oh, oh, oh
