

Seth

Big Black

"...invaded by hordes of scummy, race-mixing traitors and Red-led Marxist mongrels demanding human rights for subhumans. Yes, once again, we see amassed the underground army of social malcontents, racial throwbacks, and genetically-botched black boneheads--this army of ghetto guerrillas and street-razor savages that has turned our cities into jungles and our schools into battlefields. Now this army of the ignorant, the shiftless, the criminal and the irresponsible, after receiving billions upon billions of dollars in federal aid, for everything from free food to free abortions, they now come to Washington, D.C. to demand a national holiday for this doubly-degenerate, Jew-led, Red jungle bunny responsible for their freedom to lope their way through life at the white man's expense. Martin Luther King, a mm mm mm mm, Communist Jew, a member of no less than 62 Communist Party front groups, a black man who lusted after white women, who embraced the teachings of a half-pint Hindu, and a Christ-hating Jew. This criminal Communist coon, they want a national

holiday for him? Ridiculous."Bit me
Bit me 'cause he thought I was black
Bit me, musta thought I was black
Looks like a rat, looks like a rat
Seth is just a racist dog
I don't know why he's so mean
I don't know why she's so screwed-up ??
I don't know why he's so mean
I don't know why she's so screwed-up ??
Bit me 'cause he thought I was black
Bit me, musta thought I was black
Blast me in the shack, then he sent off his dog
Seth is just a racist dog
I don't know why he's so mean
I don't know why she's so screwed-up ??
I don't know why he's so mean
I don't know why she's so screwed ??
I don't know why he's so mean
I don't know why she's so screwed-up ??
