

# Cut the Rope

## Semma

VERSE:I've been doing things out of my character,  
distancing myself from those I love.

I opened up to you in ways I've never done before,  
and this is what you give me in return.PRE-CHORUS:Don't let me go,  
don't cut the ropes

I just want you to keep pulling tighter and tighter.CHORUS:If I gave you all of my love,  
baby would it ever be enough.

Tell me baby who I can trust,  
baby if it's not the one I love.Don't let me go,  
don't cut the ropes.

I just want you to keep pulling tighter and tighter.Don't let me go,  
don't let me fall.

I just want you to keep pulling tighter and tighter.VERSE 2:I've been waking up from sleep from a cold &  
sweat,

this has to be heartache at its best.

I tried to think of ways to make you feel the way I felt,  
but I ended up hurting myself in the end.PRE-CHORUS:Don't let me go,  
don't cut the ropes - no.

I just want you to keep going deeper and deeper.Don't let me go,  
don't let me fall.

I just want you to keep going tighter and tighter.CHORUS:If I gave you all of my love,  
baby would it ever be enough.

Tell me baby who I can trust,  
baby if it's not the one I love.Don't let me go,  
don't cut the ropes

I just want you to keep pulling tighter and tighter.Don't let me go,  
don't cut the ropes

I just want you to keep pulling tighter and tighter.BRIDGE:I just wanna feel,  
the way to feel when I'm with you.

Oh no and just hold, hold, hold on.

And don't you let me fall...CHORUS:If I gave you all of my love,  
baby would it ever be enough.

Tell me baby who I can trust,  
baby if it's not the one I love.Don't let me go,  
don't cut the ropes

I just want you to keep pulling tighter and tighter.Don't let me go,  
don't let me fall.

I just want you to keep pulling tighter and tighter.
