Corner Of The Sky

Cut Copy

Twisting from a stranger
Let the sea of danger
This is where the answer lies
Then the new flamingo
Chasing where the gold go
Assets, files, distant highs
Ohh, I still demand it
Don't try to change her mind
Watching love's right in the middle
Don't try to change it
And if you see it come on
In the corner of the sky tonight
Maybe you can catch it
Keep it secret 'til the end of time
And if you see it come on
In the corner of the sky tonight
Maybe you can catch it
Keep it secret 'til the end of time
And if you see it come on
In the corner of the sky tonight
Maybe you can catch it
Keep it secret 'til the end of time
Keep it in the boardroom
Lock it in the cauldron
You're the means, you're not the end
Lots of figures suit you
Jackets made of voodoo
Sandal line is in the sand
Ohh, I still demand it
Don't try to change her mind
Watching love's right in the middle
Don't try to change it
And you can see it come on
In the corner of the sky tonight
Maybe you can catch it
And keep it secret 'til the end of time
And if you see it come on
In the corner of the sky tonight
Maybe you can catch it

Keep it secret 'til the end of time
And if you see it come on
In the corner of the sky tonight
Maybe you can catch it
Keep it secret 'til the end of time
And you see it come on
In the corner of the sky tonight
Maybe you can catch it
Keep it secret 'til the end of time
Ohh, it makes me wonder if you'll ever see, if you'll ever see
Ohh, it makes me wonder if you'll ever see, if you'll ever see
Ohh, it makes me wonder if you'll ever see, if you'll ever see
Ohh, it makes me wonder if you'll ever see, if you'll ever see
Ohh, ooh, ohh, ooh, ohh, ooh, ohh, ooh
Ooh, ooh, ooh
