

# History

## Michael Jackson

He got kicked in the back  
He say that he needed that  
He hot willed in the face  
Keep daring to motivate  
He say one day you will see  
His place in world history  
He dares to be recognized  
The fires deep in his eyes

How many victims must there be  
Slaughtered in vain across the land  
And how many struggles must there be  
Before we choose to live the prophet's plan  
Everybody sing...

Every day create your history  
Every path you take you're leaving your legacy  
Every soldier dies in his glory  
Every legend tells of conquest and liberty

Don't let no one get you down  
Keep movin' on higher ground  
Keep flying until  
You are the king of the hill  
No force of nature can break  
Your will to self motivate  
She say this face that you see  
Is destined for history

How many people have to cry  
The song of pain and grief across the land  
And how many children have to die  
Before we stand to lend a healing hand  
Everybody sing...

Every day create your history  
Every path you take you're leaving your legacy  
Every soldier dies in his glory  
Every legend tells of conquest and liberty  
Every day create your history

Every page you turn you're writing your legacy  
Every hero dreams of chivalry  
Every child should sing together in harmony

All nations sing  
Let's harmonize all around the world

How many victims must there be  
Slaughtered in vain across the land  
And how many children must we see  
Before we learn to live as brothers  
And leave one family oh...

Every day create your history  
Every path you take you're leaving your legacy  
Every soldier dies in his glory  
Every legend tells of conquest and liberty  
Every day create your history  
Every page you turn you're writing your legacy  
Every hero dreams of chivalry  
Every child should sing together in harmony
