This is that Jamma Jamma -

You got a question, I'll answer  
For llama-mama I'm better,  
But better

Trendsetter said get her cheddar,  
Chinchillas feathers and leathers -  
AB AB the two letters,  
About my bread til dead up -  
I plan to blam on all hammers,  
Long weave out the limo - nanananananaana,  
They want my photos and pictures inside of they candid cameras,  
Bloggers critics & scandals
