

Mighty Breath Of God Eaturing Chris Quilala

Jesus Culture

Blow, Mighty breath of God
Move upon this place
Blow, Mighty breath of God
Won't you move, in power and grace?
Streams of mercy falling down
Light of Heaven all around
And it's falling to the ground
Blow, Mighty breath of God
Move upon this place
Blow, Mighty breath of God
Won't you move, in power and grace?
Spirit of fire and found a flame
Passion for your Holy name
Burning everything
Blow, Mighty breath of God
Move upon this place
Blow, Mighty breath of God
Won't you move, in power and grace?
Blow, Mighty breath of God
Move upon this place
Blow, Mighty breath of God
Come move, in power and grace?
Let Your wind blow
Let Your fire fall
Let Your wind blow, Your wind blow
Let Your fire fall, Your fire fall
Let Your wind blow, Your wind blow
Let Your fire fall, Your fire fall
Let Your wind blow
Let Your fire fall
Let Your wind blow
Let Your fire fall
Let Your wind blow
Let Your fire fall
Let Your wind blow
Let Your fire fall
