

# So Near so Far

## Angra

Look at my face  
Scars won't deny Alone again  
I start to cry Staring at me  
Too blind to see Open arms  
For all i give  
For all i take  
Inside of your heart  
So near so far I'm just a boy...like you Oh! father i pray  
For your charity  
Wisdom, for life  
Was all i needed  
Was all i wanted  
To share with you You know my heart  
Was not disguise  
Waiting for you  
So stay with me I'm now a man! you know! Come! take a chance  
And give it all  
No, harmful winds  
To whisper for Life is short, you know  
We can regret  
Healing wounds always help us to redress  
And with you i learned to live Come! take a chance  
And give it all  
No, harmful winds  
To whisper for Our time is short, you know  
Must we still regret ?  
Healing wounds always make time to redress  
And i love you more each day
