

Great Are You Lord

One Sonic Society

You give life, You are love
You bring light to the darkness
You give hope, You restore
Every heart that is broken

Great are You, Lord

Itâ€™s Your breath in our lungs
So we pour out our praise, We pour out our praise
Itâ€™s Your breath in our lungs
So we pour out our praise to You only

You give life, You are love
You bring light to the darkness
You give hope, You restore
Every heart that is broken

All the earth will shout Your praise
Our hearts will cry, these bones will sing
Great are You, Lord
