Ho-Oh

ShueTube

I'm in love with my Ho-Oh
I'm in love with my Ho-Oh
I caught it out in Johto
I'm in love with my Ho-Oh
I'm in love with my Ho-Oh
I'm in love with my Ho-Oh
I caught it out in Johto
I'm in love with my Ho-Oh

Left my mom traveled solo
To catch them all was my lone goal
Only eleven years old though
I guess that's what you call YOLO

I go by the name of Gold bro
Started off in Johto with my little Toto, dile
Then we saved the slowpoke from the evil Team Rocket cause they were tryna poach those
Beat the girls in kimonos
All 5: Zuki, Kuni, Miki, Sayo and Naoko
So before I hit up Tohjo
I had to go roam
The tower so I could catch my Ho-Oh

Sacred Fire, it's got Sacred Fire
And a Fire Blast with it
Whoop, whoop, whoop, whoop
And a Sacred Ash with it

I'm in love with my Ho-Oh
I'm in love with my Ho-Oh
I caught it out in Johto
I'm in love with my Ho-Oh
I'm in love with my Ho-Oh
I'm in love with my Ho-Oh
I caught it out in Johto
I'm in love with my Ho-Oh

Route 26 to Victory Road
Had to whip the Elite Four
On the way I copped Dodrio

Bustin rocks saw a Geo-dude
But it was weak though
So I didn't need no
Ultra balls to be thrown
I'd rather keep those
Save em for the beast mode
Pokemon, later on, that I haven't seen yo

Every time I beat Gold
I don't need no cheat codes
Got badges? Yep, I got em all 16 so
But think though
I hit up the safari zone
Picked a green stone and got a Treecko for free bro

Sacred Fire, it's got Sacred Fire
Sacred Fire, it's got Sacred Fire
And a Fire Blast with it
Whoop, whoop, whoop, whoop
And a Sacred Ash with it

I'm in love with my Ho-Oh
I'm in love with my Ho-Oh
I caught it out in Johto
I'm in love with my Ho-Oh
I'm in love with my Ho-Oh
I'm in love with my Ho-Oh
I caught it out in Johto
I'm in love with my Ho-Oh
