

# Workin' on Leavin' the Livin'

## Modest Mouse

In heaven everything is fine  
In heaven everything's alright  
In heaven everything is fine  
In heaven everything is fine  
In heaven Workin' on a livin', I'm workin' on a leavin'  
I'm workin' on a leavin' the livin'  
I love you more than everything  
Loved it more than anything  
Loved everything more than anything Workin' on drinkin', I'm workin' on drivin'  
I'm workin' on drivin' my dreams so  
Workin' on a livin', I'm workin' on a leavin'  
I'm workin' on a leavin' the livin' In heaven everything is fine  
In heaven everything is fine  
In heaven everything is fine  
In heaven everything is fine
