

Reason

East West

What if I don't really care,
What If I don't want to know,
What if I don't really see this,
What if you're another lie,
What if you're a fake to me,
What if I want to see you bleed,
I've got my, Reasons
What if I don't know this game,
What if I don't care,
What if I don't want to know,
What If I don't need you,
What if you decieve me,
What if I just want to know why...
