

Beautiful Girl (The Tronicsound edit)

William Fitzsimmons

Unfurl your gown
A distant fuller skin
I knew you once My God the sun
The windows bear your bones
Reveal your crime Beautiful girl
Let the sunrise come again
Beautiful girl Your sailor eyes
The water in the well
A thirst to fill Let down your arms
The purging of this dark
The fall to free Beautiful girl
Let the sunrise come again
Beautiful girl
May the weight of world resign
You will get better
