

Brother, Brother

The Isley Brothers

Oh, brother, brother, brother
I know you've been laying back a long time
But keep laying a little longer brother
Oh, brother, brother, brother I've been watching everything you do
And I've been wishing only good for you
All you've got to do is just want it to
And it's gonna come to you Oh, brother, brother, brother
I know you've been laying back a long time
But I love you like no other
Oh, brother, brother, brother You have always been so good to me
And though you didn't always talk to me
There wasn't much my loving eyes could not see
And I don't believe you need all your misery
