

Raw Power

Guns N' Roses

Yo eh, check it out Dance to the beat of the living dead
You'll see baby, stay away from there
Raw power is sure to come runnin' to you If you're alone and you got the feel
So am I baby, let's roll on outta here
Raw power is sure to come runnin' to you Raw power's got a magic touch
Raw power is much too much
Happiness is a guarantee
It was made for you and me Raw power, honey just won't quit
Raw power, I can feel it
Raw power, you can't be spared
Poppin' eyes and a fashion feed Don't you try, don't you try to tell me what to do
Everybody always tryin' to tell me what to do
And you know that ain't right Look in the eyes of the southern girl
Fall deep in love in the underworld
Raw power is sure to come runnin' to you If you're alone and you got the shakes
So am I baby, I got what it takes
Raw power is sure to come runnin' to you Raw power's got a healing hand
Raw power can destroy a man
Raw power is a modern soul
Got a son called Rock 'n' Roll Raw power, honey just won't quit
Raw power, I can feel you near
Raw power, honey give me a spin
Get up baby and kiss my feet Everybody always tryin' to tell me what to do
Don't you try, don't you try to tell me what to do
Everybody always tryin' to tell me what to do
Don't you try, don't you try to tell me what to do Raw power it's got no place to go
Raw power honey you don't wanna know
Raw power is a guaranteed OD
Raw power is laughin' at you and me
I wanna know Can you feel it? Can you feel it?
Can you feel it? Can you feel it?
Raw power, raw power
Can you feel it? Can you feel it?
