One Night

Tiara Thomas

You can call me crazy but all that ballin' baby
It don't mean to all the
Gucci, Louis Vinton, you the other bomb
But it don't mean to all the
And I ain't one of those emo girls that don't like fashion
I like going on shopping sprees as much as the next one
And I ain't trying to be rude but you can go ahead with that faxing
Cuz baby if I gave you this
It's cuz I wanna give you this
Cuz all girls ain't after your money
All girls ain't even looking for love
And sometimes good girls get lonely
There were with something money can't buy
Don't want the rest of your life, just one night
Just one night, I just want one night
One night
He sent me a picture of his rolley
Next to some rolled up OG
He said he love girls and, girl and
And he got a lot of money but I just sent that emo G
Stale face passed out with that pale face, snoring
Eat it, beat it up like a cell mate for me
And the sex is a game it's a tailgate scoring
The results came back and I'm not yours, morey
I'm sorry I could go a little mental
I'm just tyna say somethin' real simple
You feel crunchy at first like mentors
But eventually a nigga get the memo
So before you open your dental
And before you pull up in the rental
Remember some girls like simple
A man that hold it down her, keep it confidential
Cuz all girls ain't after your money
All girls ain't even looking for love
And sometimes good girls get lonely
There were something money can't buy
Don't want the rest of your life, just one night
Just one night, so simple baby
Right now what I need is one night

I just want one night
One night
One night, one night, one night
That's all I need it's so simple baby
Don't complicate it
One night, one night, one night
That's all I need it's so
All I need from you is this
Give me the key to your room and a kiss
And I ain't one of those emo girls that don't like fashion
I like going on shopping sprees as much as the next one
And I ain't trying to be rude but you can go ahead with that faxing
Cuz baby if I gave you this
It's cuz I wanna give you this
Cuz all girls ain't after your money
All girls ain't even looking for love
And sometimes good girls get lonely
There were with something money can't buy
Don't want the rest of your life, just one night
Just one night, I just want one night
all I need baby, its so simple baby
Ooh one night, baby one night
All I need is one night
