

# We Tried

Trisha Yearwood

I and my daddy went out to drink, my momma will not cry  
I'm honest when I tell the truth and I'm lying when I lie  
And there's a lot of things that I don't do  
'Cause I don't follow it through like  
I want to but I don't want to The devil's beggin' for my time, the good Lord for my soul  
I'm always easier to catch than I ever been the whore  
I'm a twisted rose of [Incomprehensible], last thing that I need  
Is to want you 'cause I don't want to But that ain't what this love's about  
My heart ain't on my side  
And if someday it don't work out  
Then we can say we tried I'm not afraid of anything but now I'm running scared  
I know the hurt this could bring is more than I could bear  
I'm tired of wearing lonely shoes, I've nothing left to lose  
That I don't want to but I don't want to 'Cause that ain't what this love's about  
My heart ain't on my side  
And if someday it don't work out  
Then we can say we tried That ain't what this love's about  
My heart ain't on my side  
And if someday it don't work out  
Then we can say we tried  
Yeah, we can say we tried
