

Little People

The White Stripes

There's a little girl who says bing bing bomb
There's a little girl who says bing bing bomb
hello
oh, ohThere's a little boy with a spider in his hand
There's a little boy with a spider in his hand
hello
oh, ohThere's a little girl with the red shoes on
There's a little girl with the red shoes on
hello
oh, ohThere's a little boy with twenty five cents
There's a little boy with twenty five cents
hello
oh, ohAnd there's a little girl with a tiger on her bed
There's a little girl with a tiger on her bed
hello
oh, ohThere's a little boy with nothin' on his mind
There's a little boy with nothin' on his mind
hello
