Twice As Strong

Janiva Magness

oh come here sister
don't forget the stuff you're made of
you were fine before the rain began to fall
don't let this set back tell you who you are
it's only just a sign of where you need to go that's all
this time we'll break your fall'
it's time you know
that you'rechorus
Twice as strong as you need to be
take my hand, sister sister
Twice as strong as you need to be
and your twice as many now that it's you and meoh hold on sister
I know better times are coming
and I swear it's never as hard as it might seem'
just lift your head up - gotta see where you are going' and hold on to all that you dream
cause this time you'll make it
it's time you understood that you'reTwice as strong.... as you need to be
take my hand, sister sister
Twice as strong as you need to be
and your twice as many now that it's you and me
