

# Judgement Time

[Mark Lanegan](#)

She said is it time of judgement?  
I'm a rolling holy, down the dirty riverIn a dream, I heard Gabriel's trumpet  
Lord and I was blistered  
Just a strong out angelI saw the feet of pilgrims bleeding  
I saw whole cities drowning  
I saw old hermits dyingA reverie of starlings on my show bird  
I'm show bird of a highway  
Judgement time is near  
Ohoh...  
Judgement time is near  
Watch those stars above, they're falling  
And when the sky is falling  
It falls like heaven's rain  
She said it's the time of judgement  
I'm a rolling holy, down the dirty riverOho, Judgement time is near  
Oho, Judgement time is near  
Oho, Judgement time is near
