

The Only Way Out

Bush

Follow me down to the water
Through the tripwires in your head
Through the seven layers
Of your holy bedWhere there is no warm guard
By the cities of systems
I wanna be your savior
I wanna be your seasonsThe only way out is through
Lost my mind over you
The only way out is through
Lost my mind over youFollow me down to the freeway
Where the beat goes on
And a heatwave lost the nightSay what you will but we pray
To the gods of our own demise
All the timeThe only way out is through
Lost my mind over you
The only way out is through
Lost my mind over youLets build a bonfire tonight
We'll stay warm in the night time
Warm in the night timeFollow me down to the water
Through the tripwires in your head
Through the seven layers
Of your holy bedOh oh oh oh
Oh oh oh oh
Oh oh oh ohThe only way out is through
Lost my mind over you
The only way out is through
Lost my mind over you
The only way out
The only way out
The only way out is through
Lost my mind over you
