Nothing's Left

Insane Clown Posse

Man, I love you guys, man, hey, shut the fuck up, man
Why you always gotta ruin the moment, man? Fuck youAin't nothin' here left for me
So I'm out this bitch, fuck stayin' here
I'm busting the fuck out now
We out this muthafucka right nowThere's no story that ain't been told
There's no gimmick that ain't been sold
There's no ocean that never been swam
There's no jobber that ain't been slammedThere's no road that ain't been traveled
There's no doctor that ain't been baffled
Ain't no thug that never cried
Ain't no preacher that never liedThere's no rumor that ain't been passed
Ain't no question that no one's asked
There's no tree that won't get chopped
There's no bomb that wont get droppedAin't no path that no one's laid
Ain't no beast that ain't been afraid
There's no feat that no one can
There's no saga that never beganAin't no snow that didn't melt
There's no punch that ain't been felt
There's no skill that no one's learned
There's no planet that he ain't turnedThere's no view that never dissolved
There's no problem that ain't been solved
There's no tale that no one's told
There's no beauty that won't get oldThere's no garden the sun ain't beamed on
There's no shoulder that ain't been leaned on
There's no color that ain't been seen
Purple, red, yellow, blue, forest greenThere's no desert that ain't seen rain
Nobody here that ain't felt pain
There's no bigot that ain't been clowned
There's no treasure that I ain't foundAin't no cave they never explored
Ain't no mother that ain't been ignored
There's no leader that ain't been lead
There's no blood that ain't been shedThere's no dish they never made
Ain't no brick they never laid
Everything left's been done before
Nothing's new, nowhere to exploreOn the day when the wagon's come, I just pray that you let me on
On the day when the wagon's come, I just pray that you let me on
On the day when the wagon's come, I just pray that you let me on
On the day when the wagon's come, I just pray, I just prayOn the day when the wagon's come, I just pray that you let me on

On the day when the wagon's come, I just pray that you let me on
On the day when the wagon's come, I just pray that you let me on
On the day when the wagon's come, won't you let me on
Won't you let me on, won't you let me on?Hey, Jake Jeckel, fly, twist and spin to the other side
Hey, Jake Jeckel, fly, twist and spin to the other side
Hey, Jake Jeckel, fly, twist and spin to the other side
Hey, Jake Jeckel, fly, twist and spin to the other sideHey, Jake Jeckel, fly, twist and spin to the other side
Hey, Jake Jeckel, fly, twist and spin to the other side
Hey, Jake Jeckel, fly, twist and spin to the other side
Hey, Jake Jeckel, fly, twist and spin to the other sideHey, Jake Jeckel, fly, twist and spin to the other side
Hey, Jake Jeckel, fly, twist and spin to the other side
When the wagon's come I just pray that you let me on
Won't you let me on, won't you let me on?Hey, Jake Jeckel, fly, twist and spin to the other side
Hey, Jake Jeckel, fly, twist and spin to the other side
Hey, Jake Jeckel, fly, twist and spin to the other side
