Do They Know It's Christmas? (2014)

Band Aid 30

Itâ€™s Christmas time
And thereâ€™s no need to be afraid
At Christmas time
We let in light
And banish shade
And in our world of plenty
We can spread a smile of joy
Throw your arms around the world
At Christmas time

But say a prayer
Pray for the other ones
At Christmas time
Itâ€™s hard but while youâ€™re having fun
Thereâ€™s a world outside your window
And itâ€™s a world of dread and fear
Where a kiss of love can kill you
And thereâ€™s death in every tear
And the Christmas bells that ring there
Are the clanging chimes of doom
Well tonight weâ€™re reaching out
And touching you

No peace and joy this Christmas in West Africa
The only hope theyâ€™ll have is being alive
Where to comfort is to fear
Where to touch is to be scared
How can they know itâ€™s Christmas time
At all

Hereâ€™s to you
Raise a glass to everyone
And hereâ€™s to them
And all their years to come
Let them know itâ€™s Christmas after all

Feed the world
Let them know itâ€™s Christmastime again
Feel the world
Let them know itâ€™s Christmastime again

Heal the world
Let them know itâ€™s Christmastime again
