

# Do They Know It's Christmas? (2014)

## Band Aid 30

It's Christmas time  
And there's no need to be afraid  
At Christmas time  
We let in light  
And banish shade  
And in our world of plenty  
We can spread a smile of joy  
Throw your arms around the world  
At Christmas time  
  
But say a prayer  
Pray for the other ones  
At Christmas time  
It's hard but while you're having fun  
There's a world outside your window  
And it's a world of dread and fear  
Where a kiss of love can kill you  
And there's death in every tear  
And the Christmas bells that ring there  
Are the clanging chimes of doom  
Well tonight we're reaching out  
And touching you

No peace and joy this Christmas in West Africa  
The only hope they'll have is being alive  
Where to comfort is to fear  
Where to touch is to be scared  
How can they know it's Christmas time  
At all

Here's to you  
Raise a glass to everyone  
And here's to them  
And all their years to come  
Let them know it's Christmas after all

Feed the world  
Let them know it's Christmastime again  
Feel the world  
Let them know it's Christmastime again

Heal the world  
Let them know it's Christmastime again
