Peacemaker's Law

Sodom

Don't be afraid of any man
No matter what his size
Just call on me, I will be there
And I will equalisePeacemaker's law
Thumb-buster's draw
Peacemaker's law
A bad boys warDon't shoot a man into his back
Ignore his warning signs
Give him a chance to turn around
Maybe you will decidePeacemaker's law
Thumb-buster's draw
Peacemaker's law
A bad boys warNever face the fact that you
Throw down the gauntlet to me
Your persuasion I don't care
My sight gives you the creepPeacemaker's law
Thumb-buster's draw
Peacemaker's law
A bad boys warI'm not afraid of you my friend
No matter what your size
Just call to him in time of need
And he will equalisePeacemaker's law
Thumb-buster's draw
Peacemaker's law
A bad boys warPeacemaker's law
Peacemaker's law
