

# Peacemaker's Law

## Sodom

Don't be afraid of any man  
No matter what his size  
Just call on me, I will be there  
And I will equalisePeacemaker's law  
Thumb-buster's draw  
Peacemaker's law  
A bad boys warDon't shoot a man into his back  
Ignore his warning signs  
Give him a chance to turn around  
Maybe you will decidePeacemaker's law  
Thumb-buster's draw  
Peacemaker's law  
A bad boys warNever face the fact that you  
Throw down the gauntlet to me  
Your persuasion I don't care  
My sight gives you the creepPeacemaker's law  
Thumb-buster's draw  
Peacemaker's law  
A bad boys warI'm not afraid of you my friend  
No matter what your size  
Just call to him in time of need  
And he will equalisePeacemaker's law  
Thumb-buster's draw  
Peacemaker's law  
A bad boys warPeacemaker's law  
Peacemaker's law
