Walou (Rishi Rich remix)

Outlandish

Yeah, ah, El More?
You wanna ride with Del More
Outland, shit
It's about me, it's about you, yeahHey, aint nobody wanna go
Aint nobody wanna move
Aint nobody wanna try
Aint nobody stays alive
Walou from Walou
It's me and you or WalouHey, aint nobody wanna go
Aint nobody wanna move
Aint nobody wanna try
Aint nobody will stay alive
Walou from Walou
It's me and you or WalouMamma, please I can explain everything
Don't cry
Had to protect my friend from his friends
I swear, no lieSee before we knew it, the cops came
Put an end to it with these handcuffs
Took me down to the damn cell
'Coz I'm not a minor anymore, toughNow bail me out Mom
It won't happen again I promise
Don't tell Daddy about this
He's working too hard to feel thisThe second guessin'
'Coz you never know when the guy upstair's blessin'
Or testin' you in session
Better be ready for confessionWe all learn our lesson
Someway and somehow
When you fail, you bow
And even if you succeed you take a bowIm telling you right here and right now
You need to change
Rearrange your whole point of view
'Coz for me it seems strangeHey, aint nobody wanna go
Aint nobody wanna move
Aint nobody wanna try
Aint nobody stays alive
Walou from Walou
It's me and you or WalouHey, aint nobody wanna go
Aint nobody wanna move
Aint nobody wanna try

Aint nobody will stay alive
Walou from Walou
It's me and you or WalouDe la nada sale el todo
Yel todo se hace nada
Hay espirales de consejos
Miles mares de palabrasPero cada ser humano
Tiene su propia realidad
Cada alma sigue su ruta
Adiferente velocidadPor eso queridos mios
Cuando muera no extranen
Mi presencia
Alegras que vivimos
Problemas que pasamosAprendan de mis errores
No siempre el agua es clara
De la nada sale el todo
Yel todo se hace nadaWith empty palms people act empty
Those who got a lot
Act like they dont have plentySo you say, you getting places
But you aint moving at all
Still some race on
And some sit back and wait for his callHey, aint nobody wanna go
Aint nobody wanna move
Aint nobody wanna try
Aint nobody stays alive
Walou from Walou
It's me and you or WalouHey, aint nobody wanna go
Aint nobody wanna move
Aint nobody wanna try
Aint nobody will stay alive
Walou from Walou
It's me and you or WalouLet me take a little moment of time
Going above them, all looking down, wondering, wondering
Why you don't wanna be by my side
Time is flying, fly sky high, falling down, falling downOh, what about my mom and my son, Lord
Anything, I did for you, Lord, I try to be nothing but pure
Lord have mercy on me, myself and I
Should've never been around there
Body cold when I was already here
Suddenly I'm out of soul, God, I feel so low
And I fear to show no matter where I goYou don't see, You don't feel
Beyond the walls You living in
You made me, don't make me
Lose the faith within meHey, aint nobody wanna go
Aint nobody wanna move
Aint nobody wanna try

Aint nobody stays alive
Walou from Walou
It's me and you or WalouHey, aint nobody wanna go
Aint nobody wanna move
Aint nobody wanna try
Aint nobody will stay alive
Walou from Walou
It's me and you or WalouWalou, Walou, Walou, Walou
