

Bottle of Anything

[Ed Kowalczyk](#)

Sittin on an open plain staring into nothing
Looking for myself again.
And windin' up ghost huntin'
I put myself up on this rock 'tween a hard place and redemption
Could you kindly pass me that worn out book and the answer to my question?
Whatever love you found, say a prayer for me
Whatever peace you're feelin' bring some next to me.
And a song to sing and a bottle of anything.
High above the winding road
That brought me to my mountain
A lonely eagle alights beside me.
Drinkin' from the fountain
A solitary beast like me... just searchin 'till he found it
Feel like i'm tied but my hands are free.
When will this devil let go? Let go of me?
All i want is you to call my name
All i want is with thee...
