I've Got That Old Feeling

Alison Krauss

No matter what I say or do,
I just can't seem to get inside your heart
What have I done wrong?
Lately you're so far away,
You just don't seem to hold me like you used to
Something's going onI've got that old feeling, you're leaving
I'm so tired of goodbye
I can't wait on your love forever
While you change your mindMorning finds us face to face
I feel you staring through me while I'm talking
Familiar looks I recognize the same old looks that said goodbye the last time
Something I'm used toI've got that old feeling, you're leaving
I'm so tired of goodbye
I can't wait on your love forever
While you change your mind
