

# The Story Ofâ€¦!

## Every Knee Shall Bow

The crown of thorns  
placed on his head  
forced down, piercing his skin  
the crowd, watched as he bled  
The crimson nails  
the sharpened spear  
The blood, flowed from his body  
the crowd, watched as he ebbed

This is the story of  
His passionate display of love  
The bloody scene a masterpiece  
Of Christ's body broken for you and for me

His body broken,  
His blood poured out  
Coagulating  
As he died for man

Jesus redeemer of humanity just brushed aside  
Nailed to a cross upon Golgotha where he bled and died  
Jesus redeemer of humanity just brushed aside  
Jesus who saved us from

Famine plagues and disease

His body laid to rest  
Shrouded in cloth of white  
He Lay, for these three days  
The crowd, mourned his passing  
The grave broke open  
The earth did shake  
Jesus redeemer  
rose from the grave

This is the story of  
His passionate display of love  
The the risen savior  
Conqueror of death just for you and for me

Jesus redeemer  
Conqueror of the grave  
My savior and friend  
Beginning and end

This is the  
story of His  
display  
Of Love
