### Soloist

Ni maombi yangu jina langu liwepo kitabuni  
Kile kitabu kitakatifu kisicho sema uongo  
Kile kitabu kikamilifu kilicho andikwa na Mungu mwenyewe  
Yesu nisaidie niwezeshe niwepo kitabuni

Wewe ulisema ashindaye atapewa jina jipya  
Na wala jina lake halitafutwa kitabuni  
Utalikiri jina Lake mbele ya Mungu na malaika  
Baba ninaomba jina langu liwepo kitabuni

Wewe ulisema ashindaye utampa jina jipya  
Na wala jina lake halitafutwa kitabuni  
Utalikiri hilo jina Lake mbele ya Mungu na malaika  
Yesu nisaidie niwezeshe niwepo kitabuni

### Chorus

Ninaomba jina langu liwepo kitabuni  
Ninaomba jina langu liwepo kitabuni  
Ninaomba jina langu liwepo kitabuni, Hewe Yesu jina langu liwepo kitabuni

Ninaomba jina langu liwepo kitabuni  
Ninaomba jina langu liwepo kitabuni  
Ninaomba jina langu liwepo kitabuni, Hewe Yesu jina langu liwepo kitabuni

### Soloist

Nikija usiseme ondoka sikujui

Nikija usiseme sina mwaliko  
Eeh nikija usiseme sina vazi la harusi  
Yesu nisaidie niwezeshe niwepo kitabuni

Nisijitete nilihubiri na huna rekodi nami  
Niliita baba eeh baba na bado hunijui  
Niliponya wagonjwa na kutoa mapepo na huna rekodi nami

Yesu nisaidie nisikose, kuwepo kitabuni

#### Chorus

Ninaomba jina langu liwepo kitabuni  
Ninaomba jina langu liwepo kitabuni  
Ninaomba jina langu liwepo kitabuni, Hewe Yesu jina langu liwepo kitabuni

Ninaomba jina langu liwepo kitabuni  
Ninaomba jina langu liwepo kitabuni  
Ninaomba jina langu liwepo kitabuni, Hewe Yesu jina langu liwepo kitabuni
