All my fuckin life I lived a normal fuckin life

Till I went and got myself caught up wif da mic

And da beats coming dope wif da rhymes and da flows

In real life trying 2 cope wif da highs and da lows

I got sick and tired of getting treated like a stupid fuck-up

So I fucked my enemies up 1 time and blew da fuck up

B4 it was like yo: who's dis stupid weirdo?

Now it's like: it's a new breed of rap superhero

2 defeat deze devilz ninja bcomez a devil

Deze God-forsaken wretches will never b on my level

Wies jy? fuck u and your hole krew (who r u?)

I got u stressing double guessing cause I won't do what I'm supposed 2

I don't know u, baby say hello 2

My little 2 friendz: 'I'm telling u' and 'I told u'

Wat? try 2 speak but your tonguez frozen (what?)

In souf afrika I sleep wif both my eyez open[Hook][Verse 3: Ninja]

Muddafukkaz tell me 2 slow my roll but sorry no can do

My style is so brand new, I try 2 make u understand it

I'm here 2 steal da fuckin show cause baby I'm a bandit

Now u standing looking at me like da alienz have landed

All hail da great white ninja

Every poes wif a fone wants to take my picture (cunt)

Ninja! jas I dig dat oke! (jeez I love that guy)

Is it real? no it's just a big black joke

When dealing wif an idiot dere's really nuffing u can say

Next time u ask me 'is it real? ' I'm gonna punch u in da face

2 help u feel me, bitch I get paid 2 b funky

But b nice or I'm gonna change 2 b ugly

I'm zef like a young hugh hef, oh yes

May my enemies live long so they may see me progress
