With Me

Chris Tomlin

I open my mouth
And You speak for me
You moved the mountain
And rolled back the seaAnd I will not be afraid
I will never be ashamed
For You are with me
You are with meAnd I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me
If You're not with meYou open Your hand
And You reach for us
You are the motion
Of the universeAnd I will not be afraid
I will never be ashamed
For You are with me
You are with meAnd I've seen enough to know
That You're my only hope
I don't want to go
If You're not with meI've seen enough to know
That You're my only hope
I don't want to go
If You're not with me
If You're not with meI open my mouth
And You speak for me
You moved the mountain
And rolled back the seaI've seen enough to know
That You're my only hope
I don't want to goAnd I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me
(I've seen enough to know)
If You're not with meAnd I will not be afraid
I will not be afraid
No, I will not be afraid
I will not be afraid
(I will not be afraid, I will not)
'Cause You are with me
