

With Me

Chris Tomlin

I open my mouth
And You speak for me
You moved the mountain
And rolled back the sea And I will not be afraid
I will never be ashamed
For You are with me
You are with me And I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me
If You're not with me You open Your hand
And You reach for us
You are the motion
Of the universe And I will not be afraid
I will never be ashamed
For You are with me
You are with me And I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me
If You're not with me I open my mouth
And You speak for me
You moved the mountain
And rolled back the sea I've seen enough to know
That You're my only hope
I don't want to go And I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me
(I've seen enough to know)
If You're not with me And I will not be afraid
I will not be afraid
No, I will not be afraid
I will not be afraid
(I will not be afraid, I will not)
'Cause You are with me
