

Fly (Suneil S Club Mix)

Nicki Minaj

I came to win, to fight, to conquer, to thrive
I came to win, to survive, to prosper, to rise
To fly
To flyUh yo, yo,
I wish today it will rain all day
Maybe that will kinda make the pain go away
Trying to forgive you for abandoning me
Praying but I think I'm still an angel away
Angel away, yeah strange in a way
Maybe that is why I chase strangers away
They got their guns out aiming at me
But I become Neo when they aiming at me
Me, me, me against them
Me against enemies, me against friends
Somehow they both seem to become one
A sea full of sharks and they all smell blood
They start coming and I start rising
Must be surprising, I'm just surmising
I win, thrive, soar, higher, higher, higher, more fireI came to win, to fight, to conquer, to thrive
I came to win, to survive, to prosper, to rise
To fly
To flyUh yo, yo
Everybody wanna try to box me in
Suffocating every time it locks me in
Paintin' they own pictures than they crop me in
But I will remain where the top begins
'Cause I am not a word, I am not a line
I am not a girl that can ever be defined
I am not fly, I am levitation
I represent an entire generation
I hear the criticism loud and clear
That is how I know that the time is near
So we become alive in a time of fear
And I ain't got no motherfucking time to spare
Cry my eyes out for days upon days
Such a heavy burden placed upon me
But when you go hard your nay's become yay's
Yankee Stadium with Jay's and Kanye'sI came to win, to fight, to conquer, to thrive
I came to win, to survive, to prosper, to rise

To fly
To fly Get ready for it
Get ready for it
Get ready for it
I came to win
Get ready for it
Get ready for it
Get ready for it I came to win, to fight, to conquer, to thrive
I came to win, to survive, to prosper, to rise
To fly
To fly
