

A Key

Monkey Trick

When I see oceans, I see you
When I see colors, I see through
When I would hide away, how you withdrew
Time to open up to you. When I sing words, I'm set free
When write poems, you see me
When I can't hide away, I provide a key
Time to unlock the rest of me There's still more below
Devotion is a long sea to row
Got to grow to know When I see diamonds, I see you
When I see circles, I see through
When I would hide away, how you would too
Time to be fair to you When I ride waves, I'm with you.
When I go to the place they take me to
I'm going to paddle with you, one hand at a time
Jump up and enjoy this, cause life's a ride This is our time.
This is our life.
This is our time. When I sing words, I'm set free
When write poems, you see me
When I can't hide away, I provide a key
Time to unlock the rest of me
