

# Love's Got a Hold On Me

## Cheap Trick

Your love has got me  
It's got a hold on me, a hold on me  
Your love has got me  
It's got a hold on meYou're not the first one, you're not the last one  
You're not even the in between  
You've got the power, this is your hour  
You crawl through Harlem on your hands and kneesIt's not the way you look  
The way you walk and the color of your hair  
It's not the way you look  
The way you talk and the color of your hairYour love has got me  
It's got a hold on me, a hold on me  
Your love has got me  
It's got a hold on meWell, there is something I feel about you  
A feelin' that just won't let go  
Well, in an hour, you have the power  
The power of love over meIt's not the way you look  
The way you walk and the color of your hair, no  
It's not the way you look  
The way you talk and the color of your hairThen you threw it away, you threw it all away  
As you walked right out the door  
You threw it away, you threw it all away  
As you walked right out the doorYour love has got me  
It's got a hold on me, a hold on me  
Your love has got me  
It's got a hold on me, a hold on meIt's got a hold on me  
It's got a hold on me  
Hold on, hold on meYour love has got me  
It's got a hold on me, a hold on me  
Your love has got me  
It's got a hold on me, a hold on me
