Restore to Me

Corby LaCroix

I am Adam in the garden, hiding low behind the trees
And I am Jonah on the water, sailing far across the seas
Many roads I often travel, when Im running from the truth
Seems its only when they all unravel, that I finally run to You
You make all things newRestore to me the fire, awaken my desire
The wonder of a new life just begun
Create in me a spark, a burning in my heart
To find again what Ive been running fromCause I can trust You when its easy, but I dont want to when its hard
I wish I had the strength, believe me, maybe nows the time to start
Search me and know my heartRestore to me the fire, awaken my desire
The wonder of a new life just begun
Create in me a spark, a burning in my heart
To find again what Ive been running from
Your SonLet everything, Let all that is within me bless the Lord, bless the Lord
Let everything, Let all that is within me bless the Lord, bless the Lord
Let everyone, let all who hear the promise of the Lord, bless the Lord
Let everything, Let all that is within me bless the Lord, bless the Lord
Oh, bless the LordI am ever prone to wander
But You are faithful to the end
