

He Came Down to My Level

Guy Penrod

He came down to my level
When I couldn't get up to His:
With a strong arm, He lifted me up
To show me what a living is!

He'll come down to your level,
If you'll open up the door;
He wants to make your life worth living:
That's what He came down for!

He came down to my level
When I couldn't get up to His:
With a strong arm, He lifted me up
To show me what a living is!

He'll come down to your level
If you'll open up the door;
He wants to make your life worth living:
That's what He came down for!

If you're looking for contentment
In the things that you can see:
You're gonna have some disappointment
So, won't you listen to me, please:
'Cause I know about a Savior;
He came down to be a man
and when He left, He sent His spirit:
He made me everything I am!

He came down to my level
When I couldn't get up to His;
With a strong arm, He lifted me up
To show me what a living is!

He'll come down to your level,
If you'll open up the door;
He wants to make your life worth living,
That's what He came down for!

Sometimes, I make decisions

That later I regret;
But the Lord keeps all assuring me,
He's not finished with me, yet:
I don't worry about tomorrow,
I don't worry about yesterday:
I don't worry about this crazy world,
'Cause I found a better way!

He came down to my level,
When I couldn't get up to His;
With a strong arm, He lifted me up
To show me what a living is!

He'll come down to your level
If you'll open up the door;
He wants to make your life worth living:
That's what He came down for!

He came down to my level
When I couldn't get up to His;
With a strong arm, He lifted me up
To show me what a living is!

He'll come down to your level,
If you'll open up the door;
He wants to make your life worth living:
That's what He came down for!

He came down to my level
When I couldn't get up to His;
With a strong arm, He lifted me up
To show me what a living is!

He'll come down to your level
If you'll open up the door;
He wants to make your life worth living:
That's what He came down for!

He wants to make your life worth living:
THAT'S WHAT HE CAME DOWN FOR!

THAT'S WHAT HE CAME DOWN FOR!
