

Losing My Religion

Graveworm

Oh, life is bigger
It's bigger than you
And you are not me
The lengths that I will go to
The distance in your eyes
Oh no, I've said too much
I set it upThat's me in the corner
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no, I've said too much
I haven't said enough
I thought that I heard you laughing
I thought that I heard you sing
I think I thought, I saw you tryEvery whisper
Of every wakin' hour
I'm choosing my confessions
Trying to keep an eye on you
Like a hurt, lost and blinded fool, fool
Oh no, I've said too much
I set it upConsider this, consider this
Hint of the century
Consider this, the slip
That brought me to my knees failedWhat if all these fantasies
Come flailing around?
Now I've said too muchI thought that I heard you laughing
I thought that I heard you sing
I think I thought, I saw you tryBut that was just a dream
That was just a dreamThat's me in the corner
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no, I've said too much
I haven't said enough
I thought that I heard you laughing
I thought that I heard you sing
I think I thought, I saw you tryBut that was just a dream

Try, cry, why try?
That was just a dream
Just a dream, just a dream
Dream
