Kylie Minogue

La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la
Oh feels like you light me up
Feels like you light me up
When the sparks run out Sometimes the love that you wasted
Becomes the love that you've lost
A moment feels like a lifetime
Cry, cry, cry you can't stop
Just when I feel no ignition
No one but me understands
Arms reach out from a distance
Palm to palm, touching hands Oh feels like you light me up
Feels like you light me up
When the sparks run out
Oh feels like you light me up
Feels like you light me up
When the sparks run out You know that you are a fighter
But you feel yourself fall apart
Now you're just panicking because you're left defeated
And you've seen nothing but dark
But when my soul is in pieces
No one but me understands
Arms reach out from the distance
Palm to palm, touching hands Oh feels like you light me up
Feels like you light me up
When the sparks run out
Oh feels like you light me up
Feels like you light me up
When the sparks run out La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la
La, la
Cause oh feels like you light me up
Feels like you light me up
When the sparks run out
Oh feels like you light me up
Feels like you light me up
When the sparks run out La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la
