

# Today Is Your Day (Acoustic)

**Shania Twain**

You got what it takes you can win,  
Today is your day to begin.  
So don't give up here, don't you quit.  
The moment is now, this is it  
Because today is your day  
And nothing can stand in your way  
And today is your day  
And everything's goin' your way  
Oh today  
Today  
Today  
Today When somebody throws sticks and stones  
All they can break are your bones  
'Cause life's gonna kick around  
And kick you again when your down Because today is your day  
And nothing can stand in your way  
I said today is your day  
And everything's goin' your way  
Yeah today  
Today  
Today  
Today Just take one step at a time  
Oh I promise that you will be fine  
Today  
Today  
Today  
Today  
I say today  
Today
